LC brings Lucy Q collection to their website

The Liquidation Channel (LC) is pleased to announce that the Lucy Q collection will now be available on the LC website.

Lucy Quartermaine is an award-winning, English contemporary jewelry designer and silversmith. Her designs can be seen on numerous A listed British and American celebrities and in many magazines. Her dynamic range of inspirational designs offers a quirky and modern twist to everyday jewelry.

LC host, Kelsey Kearns says, "Lucy's designs are incredibly unique, it is the perfect combination of nature and elegance that our customers are sure to love."

Lucy Quartermaine is one of the UK's top award-winning contemporary jewelry designers. Her dynamic range of inspirational designs offers a quirky and modern twist to traditional and skilled silver-smithing. Her jewelry is unique but recognizes the forms and shapes of our own everyday lives. Lucy has been able to introduce fun into jewelry, but, in each and every piece, has retained the simplicity and fluid beauty of silver.

In 2004 she began to build her own business and has become an acclaimed designer and business woman through her innovative, contemporary and stylish jewelry. Lucy currently sells her jewelry through many well-known shops and galleries up and down the country and we are overjoyed to include Lucy on Cotton and Gems.
